

Barbara Weber

Barbara has been a professional artist for 20 years, creating mainly Equine and Western related works of art. The design idea for the Award Trunk came from PCCHA logo itself. The logo had a lot of geometric elements, which inspired her to take it to the next level of combining western themes with the abalone inlay. She has wanted to start incorporating inlay work for design enhancement and this seemed like a perfect piece. Barbara has created it for the "Owner of the Winning Open Futurity Horse", to have a special trophy rewarding their support.
