PCCHA MEMBERS HALL OF FAME

The PCCHA Members Hall of Fame will be established to recognize those individuals who have made outstanding and unusual contributions to the PCCHA and its basic purpose and philosophy, which is the public exhibition and constant promotion of the Cutting Horse throughout the Pacific Coast Region. Those so honored will be those individuals who have exhibited a high moral character, good sportsmanship, fairness and an exemplary contribution of time, effort and interest in working toward the short and long term goals of PCCHA.

Letters of nomination will be accepted from the membership at large prior to *August 1st of each year, which shall nominate members (past or present, living or deceased) who that member feels is qualified for induction into the Members Hall of Fame. Letters of nomination should contain a brief Cutting biography of the proposed inductee and a summary of his contributions or other basis for induction.

Each year the PCCHA President shall appoint a committee consisting of 5 members, at least three of which shall be Officers or Directors who will screen the nominations and submit a list of recommended inductees to the Board of Directors who will make the selections.
